

Press Release

Maruti Suzuki announces Financial Results for FY2025-26

- *Highest-ever annual domestic and export sales volume, Net Sales and Net Profit.*
- *Net Sales crosses INR 50,000 crore milestone for the first time in Quarter 4.*
- *Top exporter for the 5th consecutive year, contributing 49% of total passenger vehicle exports from India.*
- *Exports of made-in-India e VITARA, our first BEV, reach 44 countries.*
- *Highest-ever dividend of INR 140 per share.*

New Delhi, April 28, 2026: The Board of Directors of Maruti Suzuki India Limited today approved the financial results for the year ended 31st March 2026.

This performance was made possible because of steep growth in the domestic market in the second half of the year owing to the GST reduction. The Company sales were restricted by a limitation in the production capacity as evidenced by about 190,000 pending customer orders at year end, including nearly 130,000 orders in the small car segment (18% GST bracket). In addition, the dealer inventory was at a low of about 12 days' stock.

Highlights: Full Year (April-March), FY2025-26

The Company achieved record total sales of 2,422,713 units, of which domestic sales were at 1,974,939 units and exports were 447,774 units. In the same period last year, the total sales were at 2,234,266 units, comprising domestic sales of 1,901,681 units and exports of 332,585 units.

The Company registered record Net Sales of INR 1,743,695 million in FY2025-26, a growth of 20.2% over that in FY2024-25.

The Company achieved its all-time high Net Profit of INR 144,454 million in FY2025-26, compared to the Net Profit of INR 142,976 million in the previous year.

Highlights: Quarter 4 (January-March), FY2025-26

The Company recorded its highest-ever quarterly sales of 676,209 units, up 11.8% from Q4 FY2024-25. Domestic sales were at 538,994 units and exports at an all-time high of 137,215 units.

During this period, the Company achieved record Net Sales of INR 500,787 million, compared to INR 388,391 million in Q4 FY2024-25.

Operating Profit (EBIT) for Q4 FY2025-26 increased by 30.4% over Q4 FY2024-25, reaching an all-time high of INR 44,092 million.

Net Profit declined by 6.9% year-on-year to INR 35,905 million, primarily due to mark-to-market impact.

Dividend

The Board of Directors recommended a dividend of INR 140 per share for the year (face value of INR 5 per share) compared to INR 135 per share in FY2024-25.

Note: *Suzuki Motor Gujarat Private Limited (SMG), a wholly owned subsidiary of Maruti Suzuki India Limited (MSIL), amalgamated with MSIL starting December 1, 2025. Since the appointed date as per the Scheme of amalgamation is April 1, 2025, the financial statements for the relevant periods have been restated for comparison purpose.*
